

## FIRE HYDRANT FLOW TEST APPLICATION

Property Address: \_\_\_\_\_

Company Requesting Test: \_\_\_\_\_

Company Address: \_\_\_\_\_

Company Contact Name: \_\_\_\_\_

Phone #: \_\_\_\_\_ Email: \_\_\_\_\_

### Information and Conditions for Hydrant Flow Testing:

- \$200 Payment to WWC must be submitted with application (mailing address below).
- Once application is received, WWC will schedule the flow test with applicant.
- WWC will determine if weather is suitable for flow test. Generally, tests will only be done during months roads are open for construction by Town DPW. Further restrictions may apply.
- WWC will only operate hydrants.
- Company requesting test must provide testing equipment to take and record all measurements.
- Hydrants to be flowed will be determined by WWC.
- Hydrants will only be flowed long enough to take flow and pressure measurements.
- A copy of the flow test report must be provided to WWC (info@whitinsvillewater.com).
