

Summer Help Wanted - Whitinsville Water Company

The Whitinsville Water Company is looking to hire two summer employees to conduct grounds maintenance for the Whitinsville Water Company. Work includes grass cutting, weed wacking, brush cutting, and other general grounds maintenance tasks. Job hours are 7:30am-4pm Monday through Friday. All equipment used will be provided by company. The company will also provide personal protective safety equipment. Must have valid driver's license and be able to operate landscape equipment, which includes a riding mower and walk behind mower. Pay is hourly at \$11/hr. Job is seasonal, will start ASAP and will go to this fall. If interested, please complete and submit a job application to the water company office at 44 Lake Street. Job applications can be either obtained at the office or downloaded from the water company website at <http://whitinsvillewater.com/wp-content/uploads/2011/05/WWC-Employment-Application.pdf>. This application is found under the Announcements tab on the website.
